

## May Newsletter

April showers bring May flowers. Let's hope the saying is true! We are ready to see some beautiful flowers blooming around the school. All of us in the infant rooms cannot believe how fast this past school year has flown by and all the milestones we have seen with your kids. We have seen them go from being babies who were completely dependent on us to strong independent pre-toddlers who are amazing and fearless.

This month we will be working on a project for our mommies to celebrate their special day. Our reading books will include "Little One, God Made You Special" and "Little One, God Loves You". Also some other things that will be keeping us busy are exploring with sticky art and painting with balls.

### **A few things to remember this month are:**

- \*Check your child's daily sheet to see if there is any needed supplies.
- \*Please send a jacket to school so we can go outside and enjoy the sunshine in the mornings.
- \*Please remember to sign in and out on the clipboard and the computer.
- \*Keep 2 changes of weather appropriate clothing in your child's cubby.
- \***May 10th is Fund Run kick off assembly.**
- \***We will have medical release forms for you to fill out in class.**
- \***We are closed May 27th for Memorial Day.**
- \***Fund Run is May 31st.**

Fund Run is a fun day to come hang out with the kids and other parents. We will be participating in the run with having a "buggy race" and you are welcome to join us.

Thank you for allowing us to take this journey of growth with you and your child this year.

Sincerely,
