Dear St. Al's Families,

Governor Inslee has just announced a statewide closure for all K-12 schools both public and private **from Tuesday, March 17 through Friday, April 24. We will hold school on Monday, March 16.** As we gather more information from public health officials about Early Learning Centers we will keep you updated on whether or not our ELC will remain open. **We will hold school on Monday, March 16th for both our ELC and before and aftercare programs and K-8 classes.**

This announcement obviously brings many questions and we will be working diligently to answer them as quickly as possible. The Governor believes that by being proactive in minimizing contact of children in our schools, it may reduce transmission of the virus.

Blessings,

Angie Krauss

Principal
