

Dear Families,

It is time to be thinking about fall Kindergarten enrollment for the 2021-2022 school year! We hope that you and your child have found a home here at St. Aloysius Gonzaga, and that you will be a part of the school community until your child graduates from 8th grade!

Please respond to this letter indicating your interest in enrolling your child for kindergarten for 2021-2022 by February 19th, 2021.

Due to COVID we may need to offer only full day kindergarten and not the traditional am kindergarten/Montessori pm split option for the 2021-2022 school year.

Child's Name: _____

_____ We would like to enroll our child in traditional **all day Kindergarten**

Or

_____ We would like to enroll our child in traditional **half day Kindergarten**

_____ We will not be returning for kindergarten

Parent Signature _____ Date: _____

If you are interested in having your child enrolled, here are some tips that will help the process run smoothly:

1. Your financial account must be current-no families may enroll if their account is delinquent.
2. Consult with your child's current teacher regarding kindergarten readiness. We want your child to be mature enough to be successful not only in kindergarten, but every year after.
3. Your child must be five years old before August 31st, 2021.
4. Watch the Monday News throughout the upcoming weeks so that you do not miss a deadline for registering. **This survey does not guarantee admittance.**
5. Please return this survey to Ms. Joanne by Friday, Feb. 19th, 2021.

In Christ's Peace,
